REMEMBER

The student will be able to change the plan **ONLY within the established deadlines**,

Students will not be allowed to change their study plan if they intend to graduate in the extraordinary graduation sessions of the academic year of reference (a.a. 25/26)

Students have already the possibility to include among their free choice exam other courses delivered in English and activated as part of the training offer of the consortium universities (within the universities of Parma, Piacenza, Modena and Reggio Emilia, Bologna and Ferrara) so long as they are provided by courses of the same level (Master's Degrees).

For the A. Y. 2026/2027 the choice of each course delivered in English and activated as part of the training offer of the consortium universities (within the universities of Parma, Piacenza, Modena and Reggio, Bologna and Ferrara) so long as they are provided by courses of the same level (Master's Degrees) MUST BE PREVENTIVELY submitted to the opinion of the STUDY COURSE COUNCIL.

This means that each student must submit a request of approval for each free-choice course to the Course Council: only after approval, the study plan can be completed
IMPORTANT: This application must be completed as soon as possible and submitted as indicated above, at the latest **within November 09, 2026 (deadline)**.
By November 16, 2026, a reply will be given by e-mail (proposal approved or rejected).

Approval or rejection will be appropriately motivated.

This evaluation will be obtained as follows:

The student will have to submit a formal request of approval:
1. to the Student Career Service (Student Secretariat) servicedesk.unipr.it a question on plain paper, and at the same time
2. also forward it by e-mail to the address didattica.scienzealimenti@unipr.it **following the template reported below**
