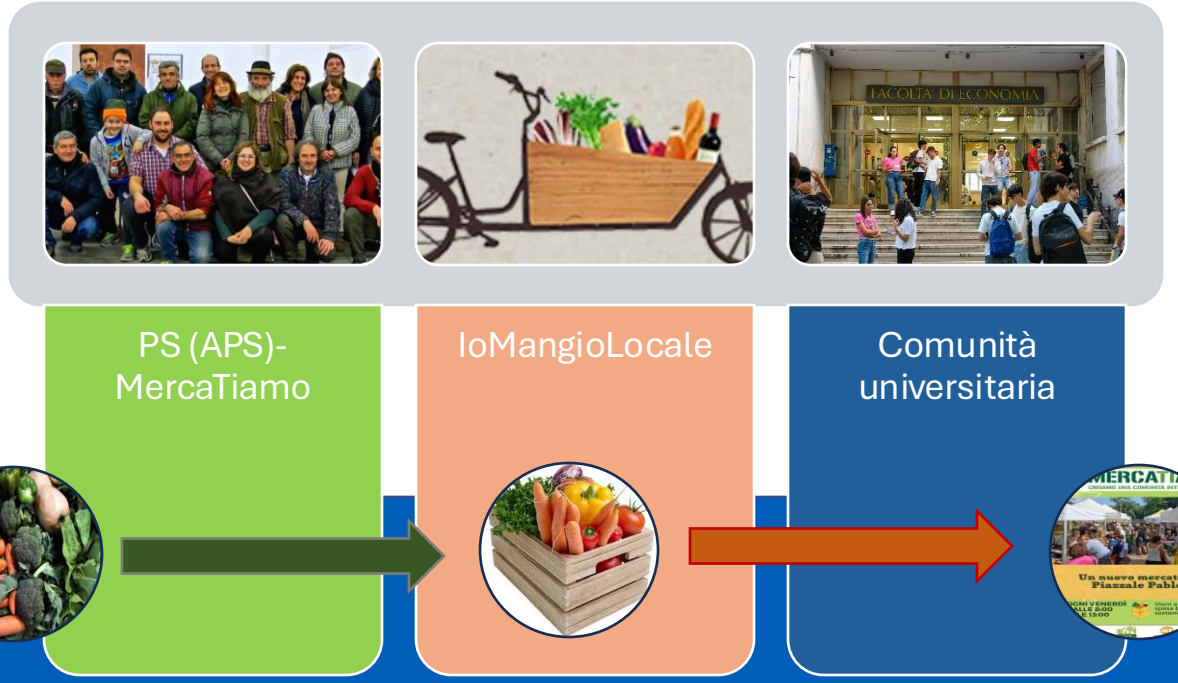
UNIPR 4LIFE : BIO-BAG

Through the **ONFOODs** project, the University of Parma offers weekly **BIO-BAGS** containing organic, seasonal fruit and vegetables from the Province of Parma to all UNIPR students.

The aim is to promote healthy and sustainable eating habits within the university community!

How does it work? You order (and pay for) the BIO-BAG via the IoMangioLocale website and collect it directly from the **MercaTIamo** farmers' market in Piazzale Pablo on Friday mornings.

Take advantage of it!



Every week, get your organic bag of local, fresh, and sustainable fruit and vegetables from your smartphone!

Available sizes
Small (2,5kg) → 12,5€
Large (5kg) → 24€

How to join
Scan the QR code on the bag!
Membership fee: €10/year
Book online by midnight every Monday

Collect your bag, from October 1st
Every Friday morning in Piazzale Pablo, during the MercaTiAmo farmers' market

Complete your bag!
At MercaTiAmo in P.le Pablo all students are entitled to a 10% discount on a minimum spend of €10

Discount for the first 100 students
€10 off on the first bag
€5 off on the 5th and 10th bags

To be combined with the UNIPLATE App
You'll receive tips and recipes for a healthy lifestyle

GRADUATION

GRADUATING MENU

➡ Thesis/Final examination
➡ Calendar of graduation sessions and deadlines
➡ Rules of conduct in graduation sessions

BEFORE AND AFTER GRADUATION

Job placement and career guidance services

- University Job Day - **October, 23rd 2025** – and events (online or in person) of company presentations and recruiting with one or more companies
- Individual support: CV/LinkedIn check, simulations of job interviews
- Career guidance seminars and workshops
- Job vacancies board

JOB DAY 2025

October, 23rd – Fiere di Parma

Over **160 participating companies and organizations**

Objective: meet company recruiters, submit your CV to apply, and attend both informational and selection interviews.

Besides the Job Day, company presentation events and interviews with one or more companies are held throughout the year, targeting specific Departments or Degree Programs, depending on the preferences of the companies.

INDIVIDUAL SUPPORT

CV/LinkedIn check, simulations of job interviews

- Skill-up: a personalized individual support service for job search, CVs, interviews, and LinkedIn, always available in both Italian and English. Book your session at this link: https://www.unipr.it/servizi-agli-studenti

- CV check sessions held before the Job Day

Job guidance Webinar by the Placement Office in collaboration with ER.GO

- Job search strategies
- The CV and cover letter
- Finding a job in NGOs and international organizations
- How to read job postings
- The steps of a selection process
- The job interview
- LinkedIn, the social network for job search

Platforms for job search

AlmaLaurea platform for Unipr: updated every day; the companies posting jobs search for UNIPR students/graduands/graduates

AFTER GRADUATION – PHD PROGRAMMES

The PhD programme is a 3-year postgraduate course open to candidates holding a Second-Cycle or Single-Cycle Degree or an eligible foreign qualification. Admission is through a public selective exam.

FULL-TIME COMMITMENT – at least 70% dedicated to research activities

Supervision – one supervisor and up to 2 co-supervisor

Possibility to carry out research periods abroad and activities within public or private organizations.

DATES & DEADLINES

HOW TO APPLY: https://www.unipr.it/dottorati-iscrizione

CALL FOR APPLICATIONS: **published in July**

CANDIDATES' SELECTIONS: **first week of September**

PHD STARTING DATE: 1st November 2026

The PhD title is awarded upon passing a final examination at the end of the three-year period of attendance, which consists of the discussion of the PhD dissertation.

WHY A PHD?

- PhD programmes provide the skills needed to carry out high-level research activities at universities, public institutions, or private organizations.
- They offer a highly specialized training path through dedicated courses, participation in schools and seminars—focused both on specific disciplines and on soft skills and entrepreneurship.
- PhD programmes may include training periods abroad or in companies, for up to 18 months out of the standard 36 months.

Fondo Sociale Europeo Plus - FSE+

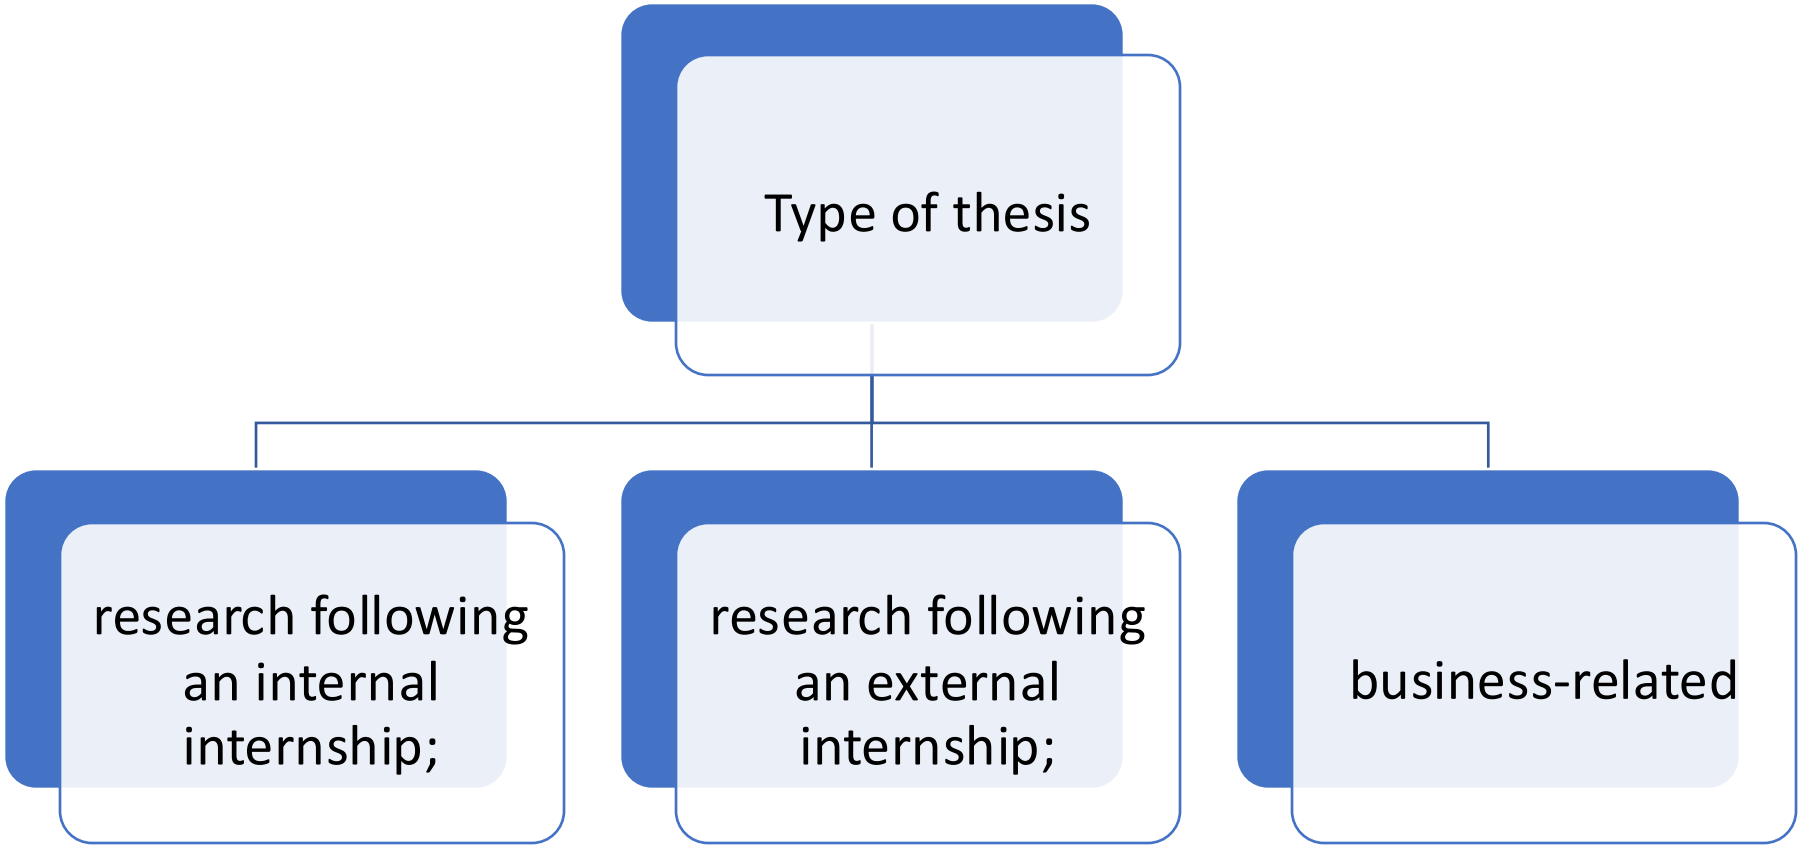
Thesis and internship



Thesis and internship

Thesis Activation procedure:

- Send your proposal to the T&T Commission via a dedicated link.
- There are three windows for submitting your thesis assignment request. (to be published)
- Assignment of Tutor by the T&T Commission
- Activation of Internship on ESSETRE on the initiative of the academic tutor (if internal) or company tutor (if external)
- During internships: maintain contact with the academic tutor.
- Closure of the internship (after completing the timesheet and questionnaire) by the student

Thesis and internship

"si sono quindi distinte 3 tipologie di tesi di laurea magistrale:
(i) una tesi di laurea magistrale di ricerca a seguito di tirocinio interno;
(ii) una tesi di laurea magistrale di ricerca a seguito di tirocinio esterno;
(iii) una tesi di laurea magistrale di tipo aziendale

Le tesi (i) e (ii) avranno la seguente struttura:
1. Introduzione: introduzione al tema con l'utilizzo di dati e altre fonti (politiche, leggi..); obiettivo della ricerca; revisione della bibliografia.
2. Materiali e metodi: caso studio; raccolta dei dati; metodologie di analisi.
3. Risultati: risultati dell'analisi coerenti con l'obiettivo della ricerca.
4. Discussione e conclusione: discussione critica dei risultati alla luce della bibliografia/del contesto/delle politiche; conclusioni dello studio e futuri sviluppi
5. Fonti bibliografiche: descrizione delle fonti utilizzando le regole APA.

Thesis and internship

La tesi (iii) avrà la seguente struttura:

1. Introduzione: introduzione al tema; l'obiettivo dell'elaborato è una valutazione critica dell'esperienza del tirocinio; revisione della letteratura/politiche/azioni per saper contestualizzare la mansione svolta nel tirocinio.
2. Materiali e metodi: l'azienda come caso studio; le mansioni svolte; le problematiche che si sono dovute affrontare.
3. Risultati: la gestione delle problematiche sorte.
4. Discussione e conclusione: discussione dell'esperienza alla luce degli stimoli provenienti dall'analisi bibliografica o di altro materiale che il relatore ritenga significativo.
5. Fonti bibliografiche: descrizione delle fonti utilizzando le regole APA.

Thesis and internship

Good to know:

- The thesis activity will start after the end of the 3rd trimester
- A dedicated meeting will be organised in December

THANK YOU
