

**2023-2024 MANDATORY WORKPLACE SAFETY COURSE in English**  
**MASTER DEGREE IN FOOD SAFETY AND FOOD RISK MANAGEMENT**

Starting from November 2<sup>nd</sup>, 2023 it will be operational the new 2023 Elly sicurezza platform:

<https://elly2023.sicurezza.unipr.it/>

The safety course is compulsory for all students who will participate in presence at the laboratory activities: before entering the labs this students have to show the certificates to the professor in charge of the labs.

The safety course however must be completed by 30 April 2024.

**Students who have already completed the entire course on the elly 2022 platform will not have to take the course again on the elly2023 platform.**

**In order to take the safety course in English, please perform the following steps:**

- a) First you have to login to the website: <https://elly2023.sicurezza.unipr.it/> and choose the login on the left for professors and students of Unipr ("**Login docenti e student**"). When you first login and enter the site, you might find a message informing you that you are unable to enroll in the course ("*non puoi iscriverti al corso*"). In this case:
- b) Inform the tutors ([didattica.scienzealimenti@unipr.it](mailto:didattica.scienzealimenti@unipr.it) ) that you have made the first login
- c) The tutors will enroll you, (with the help of Supporto Elly Staff)
- d) Once enrolled, students can follow the course, ( <https://elly2023.sicurezza.unipr.it/> – login - SECTION: SAFETY COURSE IN ENGLISH ("*CORSI DI SICUREZZA IN INGLESE*") .

The course is composed by 4 units:

- HAZARDOUS SUBSTANCES SAFETY IN THE CHEMICAL LABORATORY AND ASSOCIATED RISKS;
- TRAINING FOR ACCESS TO BIOLOGICAL LABORATORIES;
- TRAINING ON PHYSICAL RISKS;
- TRAINING FOR OFFICE ACTIVITIES

**You have to follow all the units.**

- e) Each unit is made of video and pdf material and you have to pass a test in order to obtain the certificate.

You can login with your **standard University credentials** (username: [name.surname@studenti.unipr.it](mailto:name.surname@studenti.unipr.it) + password).

If you have not yet completed the enrolment process and do not have standard University credentials, please write to [didattica.scienzealimenti@unipr.it](mailto:didattica.scienzealimenti@unipr.it)

In case of technical problems write to:

[didattica.scienzealimenti@unipr.it](mailto:didattica.scienzealimenti@unipr.it)

**IMPORTANT**

**Pre-enrolled students who will participate at the laboratory activities in presence and who fail to enroll in the safety course must contact**

[didattica.scienzealimenti@unipr.it](mailto:didattica.scienzealimenti@unipr.it)
