

Dear Students,

we inform you that Regione Emilia-Romagna on 15/02/2024 issued an implementing regulation, in compliance with national legislation, which provides that **payment of the annual contribution for the voluntary healthcare insurance (National Health Service) , must now be made exclusively by using payment model F24 with direct collection of the amount by Regione Emilia-Romagna.**

Therefore it will be no longer possible to make this payment by model PagoPA, used so far.
Amounts to be paid will not change (700 Euros for a single student – minimum of 2000 Euros for student with dependent family members living in Italy)

Students who are interested in obtaining the insurance by National Health Service must in any case, first of all, go to our headquarters in Piacenza , (address: Piazzale Milano 2), where they will be able to contact our operators who will carry out an administrative check of their documentation, then they will help the students to fill out model F24 and they will also give detailed information for the completion of healthcare registration procedure, using the new method of payment.

Students must not, under any circumstances go directly to post or bank offices, without first having contacted our administrative offices in Piacenza , located in Piazzale Milano 2
Payments made improperly or incorrectly by post or bank offices will not be refunded.

Finally we would remind all students that, **for any further information, they can get in touch with our**

International Mobility Office located in Piacenza - Piazzale Milano 2 -

phone 0523-317518 (from 9 to 12)
