How to get information about the teachings (Syllabus)

The **Syllabus** of a teaching provides **the essential information of this teaching**.

Contents - Extended syllabus - Prerequisites - Reference texts - Learning objectives - Teaching methods - Methods of verifying learning.

The lecturers publish the Syllabus for each teaching.

To view the Syllabus of the teachings, it is necessary to go **to the "LIST OF TEACHINGS" section** of this webpage, which allows you to search for the teachings in the various years.

- **Select the year of matriculation** (the a.y. in which the student enrolled in the course and in which he/she then attended the 1st year - e.g., a student who enrolls in the 2nd year in 2022-2023 and wants to view the Syllabuses of the various teachings that will be offered for 2nd year students in the a.y. 2022-2023, he/she will have to select a.y. of matriculation 2021-2022 and then 2nd year of course)
- **Click on "SEARCH"**
- **Select the course year** (1st year - 2nd year - 3rd year)

In this way you get **a list of all teachings**. In this list are indicated:
Name of the teaching - No. of cfu (credits) - Name of the lecturer - Planned hours of lectures.

Click on the name of each teaching to open the page containing the relevant Syllabus.
