WELCOME TO UNIPR

WHERE YOU, THE STUDENTS, ARE AT THE CENTRE OF OUR ACTIONS!

Unipr works with ER.GO

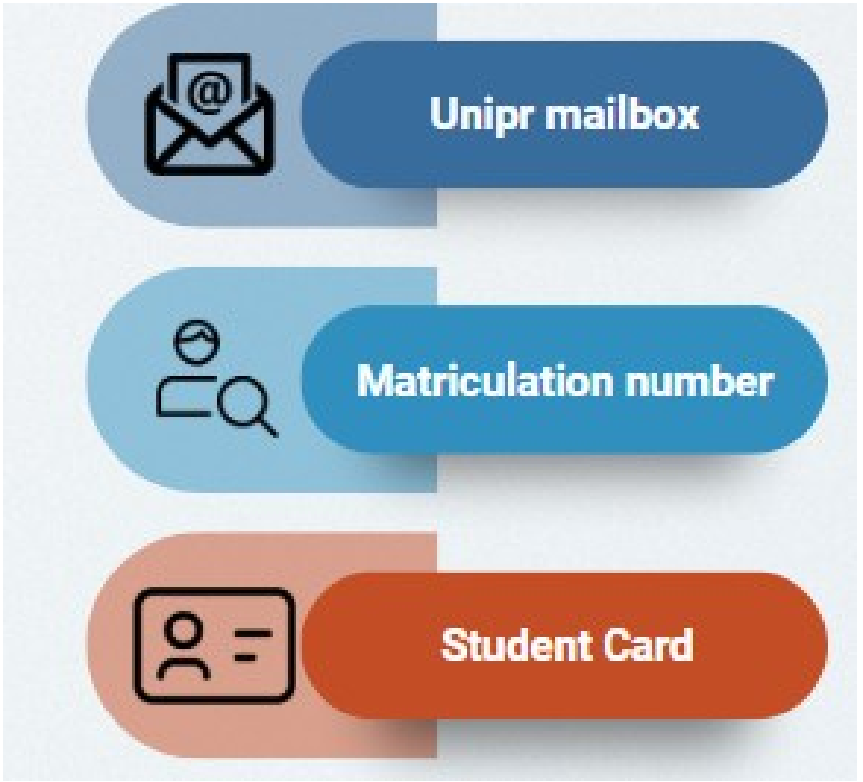
Er.go, the regional company responsible for promoting access to higher education, and the University of Parma jointly administer benefits for students, including **scholarships, canteens, accommodation and reduced university fees**

Deadline for fee reductions (On ER.GO website):
November 4, 2026

Accessible from the main menu “Fai domanda online”
https://www.er-go.it/fai-domanda-online

FIRST STEPS AT UNIVERSITY

- Unipr mailbox (to be checked daily)
- Matriculation number
- Student Card



UNIPR MAILBOX

Check your mailbox regularly (name.surname@studenti.unipr.it) where we will send you information about:

- ❖ Registration
- ❖ Deadlines
- ❖ Fees
- ❖ Information about your university course
- ❖ Events, congresses and seminars organised at the university, training

STUDENT CARD

The Student Card is your **University ID card** that allows students to:

- Access **University services** (e.g. libraries);
- Take advantage of **special offers and discounts** available through agreements between the University and local organisations and businesses (public transport, museums, cinemas, exhibitions and events);
- Access the **financial services** provided by the bank that manages the University's treasury services (**Crédit Agricole**).

To receive your Student Card, you must:

- **Be regularly enroled** for the current academic year;
- Enter the **postal address** where you would like to receive it in your **personal area** of the ESSE3 system.

If you provided a foreign address, you will receive an email with instructions on how to collect your Student Card as soon as it is ready.

You can activate your Student Card online, also through a «selfie»,
at ***https://unipr.cartaconto.credit-agricole.it/*** or in any branch of Crédit Agricole Italia

SERVICE DESK

A new **point of access** for current and prospective students, as well as incoming exchange students, to request **information about their academic records and enrolment procedures**.

After logging in, users can select the topic they are interested in, so that their request is automatically forwarded to the appropriate office staff.

UNIPR MOBILE APP

Available for download on the App Store (iOS) and Google Play (Android)

In one convenient place, you'll find the most important services for your studies:

- Check the status of all courses included in your study plan, including grades, averages and general information;
- Find all the information you need about **classes** and **exam sessions**;
- **Book an appointment with the Student Administration Office**;
- **Reserve a place in a laboratory**;
- Receive **messages from lecturers and the University**;
- Search for lecturers' **contact details, office hours and notices**;
- **Record your attendance in class**, where required by your degree programme.

UPCOMING DEADLINES

- Study Plan: 1st window 1 October-10 December, **2nd window 7th January-16th April**

TARGET AUDIENCE

- **BACHELOR STUDENTS IN CHEMISTRY (L-27)**
- **BACHELOR STUDENTS IN PHARMACEUTICAL SCIENCES (L-29)**
  MASTER STUDENTS IN FARMACIA E CTF (LM-13)
- **BACHELOR STUDENTS IN BIOTECHNOLOGY OR SIMILAR (L-02) (with 6 CFU in basic disciplines, 12 CFU basic chemistry disciplines, 14 CFU in characterizing chemistry disciplines.**
- **UPON RELEVANCE OF THE ADMISSION COMMITTEE**

EXPECTED SKILLS

CHEMISTRY SKILLS

- Synthetic chemistry
- Process chemistry
- Analytical chemistry
- Extraction, purification and characterization methods for health products

TECHNICAL AND METHODOLOGICAL SKILLS

- Formulations of molecular entities
- Manipulation through fermentation and biotechnological methods for targeted production of substances.

REGULATORY, IP PROTECTION AND COMMERCIAL SKILLS

LANGUAGE SKILLS

OBJECTIVES OF THE COURSE

- ENHANCING KNOWLEDGE IN THE DESIGN, SYNTHESIS, ANALYSIS, AND FORMULATION OF HEALTH PRODUCTS
- INTEGRATE BIOLOGICAL, SENSORY, AND MARKET-RELATED SKILLS
- PROVIDE UPDATED REGULATORY AND LEGAL KNOWLEDGE
- DELIVER LANGUAGE SKILLS

Laureati in discipline chimiche

Diapositiva 6.10

Note:
- laureati in chimica, chimica industriale, ingegneria chimica e dei materiali
- tra i laureati magistrali sono incluse anche le lauree specialistiche e dei precedenti ordinamenti

OPTIONAL UNIT: HIGHLY SUGGESTED

- International students who are not native Italian speakers ARE STRONGLY ENCOURAGED TO include an “Italian Language for Foreign Students” course in their Study Plan.
- The course can be included as a free-choice activity OPTIONAL UNIT in the first year of the Study Plan.
- International students who hold an official Italian language certificate at B2 level or higher are exempt from attending the “Italian Language for Foreign Students” course.

STRUCTURE OF THE BLENDED TEACHING

The structure of blended teaching is essential to ensure that those who are already working, or who for various reasons cannot attend classes in real time, can stay updated and constantly engaged with the subjects being taught. This way, they do not lose valuable time and can ensure the best possible preparation for their exams.

STRUCTURE OF THE BLENDED TEACHING

In-person lectures	(University of Parma e Hybrid Learning) – 70% of credits
Online lectures	(Virtual classrooms/spaces, flipped classroom) – digital materials (audio, video, texts, etc.)
Self-learning	Digital content, online sources, manuals, open resources
Collaborative learning	Chats, video conferences, webinars, forums

EXAMS

EXAMS DIVIDED INTO MODULES

SOME EXAMS CONSIST OF **TWO SEPARATE MODULES**.

DEPENDING ON THE PROFESSOR, THERE ARE TWO POSSIBLE OPTIONS:

OPTION 1 – MODULES CAN BE TAKEN SEPARATELY

YOU CAN TAKE **MODULE 1 AND MODULE 2 ON DIFFERENT DATES**.

IN THIS CASE, YOU WILL FIND:

- A **PARTIAL EXAM** (*APPELLO PARZIALE*), WHICH IS THE EXAM YOU ACTUALLY HAVE TO TAKE;
- A **FINAL REGISTRATION SESSION** (*APPELLO VERBALIZZANTE*), WHICH YOU MUST REGISTER FOR AFTER COMPLETING BOTH MODULES. IN SAME CASES REGISTRATION IS AUTOMATICALLY DONE AFTER THE SECOND PARTIAL EXAM (ASK THE PROFESSOR)

THE **FINAL GRADE** WILL BE CALCULATED FROM THE GRADES OBTAINED IN **MODULE 1 AND MODULE 2** AND OFFICIALLY RECORDED DURING THE FINAL REGISTRATION SESSION.

OPTION 2 – MODULES CANNOT BE TAKEN SEPARATELY

IN SOME COURSES, THE TWO MODULES **MUST BE TAKEN WITHIN THE SAME EXAM SESSION**.

IN THIS CASE, THE EXAMS FOR **MODULE 1, MODULE 2, AND THE FINAL GRADE REGISTRATION** WILL ALL TAKE PLACE ON THE **SAME DAY**.

⚠️ **ALWAYS CHECK THE SPECIFIC INSTRUCTIONS PROVIDED BY THE PROFESSOR FOR EACH COURSE.**

THE INTERNATIONAL DIMENSION

EU GREEN ALLIANCE

The aim is the creation of a European Higher Education Area that prioritizes sustainability in all its dimensions (teaching, research, third mission, student life, and internationalization): a network conceived to better serve students and their communities by working together to enhance and promote sustainability and address the major social challenges identified by the United Nations' Sustainable Development Goals (SDGs).
