Next Generation Scientists in Food Safety

Symposium organised by BIOTOX Doc

EARLY CAREER RESEARCHERS SHARING ADVANCES IN PREDICTION, MONITORING, AND MITIGATION OF CONTAMINANTS IN FOOD AND FEED IN A WORLD OF CHANGING CLIMATE.

Università Cattolica del Sacro Cuore
Piacenza, Italy

18-19/01/2027

Scientific program and Keynote speakers

1

Climate Change and Emerging Food Contaminants

Prof. Dan Bebber
University of Exeter

2

Novel Analytical Methods and Early Warning Systems

Dr. Thomas Glauner
Agilent Technologies

3

Toxicology, Biomonitoring and Exposure

Prof. Doris Marko
University of Vienna

4

The future of sustainable food production and safety

Prof. Chris Elliott
Queens's University Belfast
