PARMA EUROPEAN YOUTH CAPITAL 2027

The prestigious title, awarded by the **European Youth Forum**, will transform the city into an **open-air laboratory** focused on empowering younger generations, promoting inclusion and bridging the generational gap.

The **University of Parma** plays a key strategic role, both as an **institutional partner in the city's bid** and as a major **driver of internationalisation and educational innovation**. The University goes beyond simply supporting the initiatives: it actively contributes through concrete projects, major European events and the integration of the student community into the city's transformation.

WELCOME NIGHT

On 17 September from 19:30 to 23:30 we will meet in Piazza Ghiaia. We look forward to seeing you on the night of the start of the academic year!

Thesis and internship

Thesis and internship

Thesis Activation procedure:

- Send your proposal to the T&T Commission via a dedicated link.
- There are three windows for submitting your thesis assignment request. (to be published)
- Assignment of a tutor by the T&T Committee
- Activation of the internship on ESSETRE on the initiative of the academic tutor (if internal) or company tutor (if external)
- During internships: maintain contact with the academic tutor.
- Closure of the internship (after completing the timesheet and questionnaire) by the student

Thesis and internship

"Three types of Master's degree theses have therefore been identified:
(i) a research-based Master's thesis following an internal placement;
(ii) a research-based Master's thesis following an external placement;
(iii) a business-oriented Master's thesis

Theses 8I) and (ii) will have the following structure:

1. Introduction: introduction to the topic using data and other sources (policies, legislation, etc.); research objective; literature review.
2. Materials and methods: case study; data collection; analytical methodologies.
3. Results: results of the analysis consistent with the research objective.
4. Discussion and conclusion: critical discussion of the results in the light of the literature/context/policies; conclusions of the study and future developments
5. References: description of sources using APA style.

Thesis and internship

Good to know:

- **The thesis activity will start after the end of the 3rd trimester**
- A dedicated meeting will be organised in December
