PARMA EUROPEAN YOUTH CAPITAL 2027

The prestigious title, awarded by the **European Youth Forum**, will transform the city into an **open-air laboratory** focused on empowering younger generations, promoting inclusion and bridging the generational gap.

The **University of Parma** plays a key strategic role, both as an **institutional partner in the city's bid** and as a major **driver of internationalisation and educational innovation**. The University goes beyond simply supporting the initiatives: it actively contributes through concrete projects, major European events and the integration of the student community into the city's transformation.
